

Title: PROPERTY VEHICULAR ACCESS RD-POL-1

Keywords: Access, Vehicles, Entrance, Driveways

Service: ROADS

Responsible Officer: ASSET MANAGER

Objective

1. To provide guidelines for the standard of property access in urban and rural areas.
2. To identify maintenance responsibilities for accesses.

Policy

1. Responsibility

Access from the edge of the constructed public road to the property boundary is the responsibility of the property owner and shall be constructed so as not to provide any obstruction or cause any damage to the road or other public infrastructure.

2. Urban Areas

For standard, please refer to Clause 3 of Road Standards Policy, RD-POL-9.

3. Rural Areas

3.1. New Accesses

Shall comply with Clause 4 of Road Standard Policy, RD-POL-9.

3.2. Existing Access

Shall be subject to the requirements of Clause 3.1. if:

3.2.1. A proposed development on the existing property is determined to be a traffic generating development;

3.2.2. The existing entrance is substandard and threatens the integrity of Council's road.

4. Construction of Gutter Crossings or Accesses

Council will provide for the construction of vehicle access to private property on request, subject to the following:

4.1. An application being made in writing by the property owner;

4.2. Payment by the owner for construction by Council or the making of satisfactory arrangements with an approved contractor for construction under Council's supervision;

4.3. Compliance with Council's standards.

Other Relevant Policies/Procedures

Previously known as Policy A.1.
Rural Standards Policy, RD-POL-9.
