## Your 24/7 Library

Did you know you can access your library's catalogue and on-line services in the comfort of your home, any time you like?

All you need to do is go the library's website at [www.strl.nsw.gov.au](http://www.strl.nsw.gov.au)

The website provides user friendly access to the Southern Tablelands Regional Library's collection and information services which include:

- The ability to search the library's catalogue which holds over 100,000 items, reserve books and renew loans.
- The Kids Online and Teens web sections which provide links to a host of fun activities and great homework support.
- The 'AskNow!' live reference service which combines the speed of the Internet with the information skills of librarians.
- Access to a number of premium databases such as Encyclopaedia Britannica, Health and Wellness Resource Centre, as well as business, literature and family history information resources.
- Readers' advisory information to assist you in choosing a 'good read' or joining a reading group.
- Information about library membership, policies, services and opening hours.

All this and more can be accessed free of charge. All you need is your library membership card and PIN. Some sites require the use of passwords so just ask library staff about these.

So, why not join the many library members already utilising the great services provided by your 24 hour, 7 day a week library?
