DRAFT NON URBAN LANDS STUDY

June 2009

The Yass Valley Council Draft Non Urban Lands Study has been commissioned to determine appropriate zones and minimum lot sizes for rural land so that it may be incorporated into a new Local Environmental Plan.

The information presented has been compiled using a variety of methods. Whilst every care has been taken to ensure its accuracy, Yass Valley Council does not warrant the information is complete or accurate. Readers must therefore exercise their own skill and discretion.
